

## EVERY DOG HAS HIS DAY

Every dog has his day, and so it was on September 2, 1913, when a large band of hostile Indians attacked Fort Snierfield in Clarke County. As the battle between the white and red men increased in fury outside the walls of the fort, Isaac Hayden, a defender of the stockade, leaped upon his horse and charged toward the Indians, calling to the sixty odd dogs in the fort. The hounds came to the attack and fell upon the attackers, causing them to stop and defend themselves against the canine cavaliers. This delay in the Indian charge gave the women and children, who were some distance from the fort, time to reach safety.

## "Dee" Kendrick Wins

W. D. (Dee) Kendrick, a native Coffee County boy, was successful in his race for reelection as President of the Jefferson County Commission, defeating his opponent by some 4,300 majority. He was serving an unexpired term and evidently the Jefferson voters were well pleased with his record to give him such a handsome majority.

"Dee" resided in Elba some 18 years ago and has many friends here and throughout Coffee County who were interested in his campaign. They will be glad to know that he came through with flying colors. He is the brother of our fellowtownsman Ed Kendrick, who took almost as much interest in the campaign as it was his own. Other Elbans and Coffee Countians helped him in various ways and Ed says he wants them to know their efforts are deeply appreciated.

Out of the Question!

A young man watched an older fellow who was filled with liquor stagger out of a tavern to his car. When he reached the car he dug in his pockets and tried much effort to get the keys and opened the door. The drunk half falling crawled into the car and started the motor. "Why, you're not going to drive that car, are you?" asked the young fellow.

"Of course, son," replied the drunk. "Can't you see that I'm in no condition to walk?"

"What happened?"

"Well, I was out for a while."

One good thing did come out of World War II. It showed that our young men could grow and develop better. We are sure that children in Elba and rural Coffee County can also be helped to grow and develop better and be healthier and happier.

The Health Department is sure it can help to overcome growth handicaps by using methods which have been successful with other undernourished children. It also believes that a great many children who appear well are not as well developed as nature intended them to be. Even fine looking children can be better protected and their optimum

THE BIBLE SPEAKS  
By Louis E. Newton, D.D.  
Scripture Reading: Luke 22:31-32  
Daniel 7:13-14; Zechariah 13:1-2; 14:1-4  
Prayer: 12:1-13:1  
Devotional Reading: Luke 1:1-4

The Hope For The Messiah  
Lesson for June 20, 1948

THE hope for the Messiah first revealed to Adam in Genesis 3:15, and repeated to Abraham, Moses, David and Isaiah, was now proclaimed through Ezekiel, Daniel and Zechariah.

Here we have the hope of preservation, the hope of peace, the hope of service, the hope of sovereignty, the hope of redemption and the hope of purification.

A PROMISE FROM GOD  
THIS is no fancied scheme of man. It is God's clear promise. "Therefore I will save my flock, and I will set up one Shepherd over them, and he shall feed them, and I the Lord have spoken it."

God goes on to promise them peace by ridding them of danger, and security through his blessing upon the land. There shall be showers of blessing.

LOOKING FOR A BETTER WAY  
LONG had the people looked for a better way. Now God would provide that better way. It would be a way that would lead them to the Good Shepherd. He knows the way, he holds the key.

THE wisest hearts of the people must have been lifted up as Ezekiel and Zechariah shared their prophecies of the coming Messiah. Many of the shepherd passages have been used by the nations which are choirs singing today. Well may every Christian employ them to tell of that better way, the way that leads to truth, changing world about us.

DANIEL'S DREAM OF THE DELIVERER  
THE passage in Daniel is resonant with hope. "I saw in the night visions, and behold, one like the Son of man came with the clouds of heaven." This dream of Daniel was a vision of the Messiah, bringing dominion, glory and a kingdom—a kingdom for all people, nations and languages. It is the universal and lasting hope of the ages, brought nearer through this inspired vision of the Son of man, and into a new life given, and the government shall be upon his shoulders, and his name shall be called Wonderful, Counsellor, Mighty God, Everlasting Father, Prince of Peace.

THE vision of the coming Messiah set every bell ringing in the heart of humanity.

SAVIOUR AND KING FOREVER  
ALL THE promises are embodied in these passages—Jesus the Saviour, Jesus the King, Jesus the Sanctifier. Here was hope for the Jews, and for all mankind. It was proclaimed through Jewish prophets, and Jesus was born of a Jewish mother. Favored, indeed, was that race. And although there be many who have rejected the Messiah, he fulfills the deepest meaning of every man's hope.

With Charles Wesley we sing:  
Hail, thou long-expected Jesus,  
Born to set thy people free;  
From our sins and fears release us,  
Let us find our rest in thee.

Born thy people to deliver,  
Born a child, and yet a King,  
Born to reign in us forever,  
Now thy gracious kingdom bring.

Christian Generosity  
On occasions a collection is taken in a tavern designed to relieve some man's distress. For any such generosity let us be thankful. But let us also remember that that sort of thing is done only occasionally in a liquor joint and it is the regular habit in a church.—Roy L. Smith

No Grim Struggle  
To become a musician you don't grit your teeth for a grim struggle. The basic fact for successful living is that life is easier to serve you. Approach it, then, in faith. "Fear not, little flock, it is your Father's good pleasure to give you the kingdom."—Virgil Kraft

## MRS. FULLER ENTERTAINS WITH COCA COLA PARTY

Mrs. E. C. Fuller entertained at her home on Saturday, June 12 with a Coca Cola party honoring Miss Margaret Godwin. Summer flowers were used for decorations in the reception rooms.

The revolutionary new Ford four-door sedan for 1949 is lower, wider, roomier and provides nearly 25 per cent more visibility.

When Garrett Motor Co. received one of the new 1949 Ford cars a few days ago, so many people wanted to see it that Mr. Garrett had to hide it in the "country" until the day for the showing to the public. On Wednesday of this week, Mr. Garrett took representatives of the Clipper out to see this new car.

We were taken out to the Bill Martin home and when Mr. Garrett swung open the door of the elaborate garage, there it was and what a sight! It was truly "the look of the year." It nearly filled the 22 ft. garage and was truly "a livingroom on wheels."

Mr. Garrett exhaustively explained the countless features from a technical standpoint and our limited knowledge of such things was taxed to the utmost in trying to comprehend them. All we can say is that every lower of beautiful automobiles combining beauty with every useful convenience known to the automobile industry will do well to attend the public showing of this super deluxe car on Friday, June 18th.

The Ford Company describes the new 1949 car as the "car of the year." We believe this description is justified. Mr. Garrett is enthusiastic in describing it and justly so.

Some of the features of the car are described below.

**STYLING.** The modern design has been moulded along functional lines, resulting in a long, low sweeping silhouette. The grill is distinctive, the hood massive but shorter and the body so wide the rear fenders have been eliminated. There are clear unbroken lines from the front to the rear.

**COMFORT** has been one of the primary objectives in the new "Ford." Front seat widths have been increased six inches and rear seats eight inches. The body has been moved forward five inches and the seats cradled between the axles for a much smoother ride.

A new type of suspension system has been devised. "Hydracoll" springs have replaced the

transverse springs and the front axle. The system is centered around airplane type shock absorbers.

**ECONOMY** of operation has been increased up to 10 per cent improvement in gasoline mileage for the new six cylinder engine and the extensively redesigned V-8. Both are offered as power plants in all Ford models.

Improvements in the lighting system also have contributed to increased mileage and efficiency. As much as 25 per cent improvement may be achieved by taking advantage of the overdrive which is available as factory-installed optional equipment.

**SAFETY.** New standards of safety have been set in the rugged construction of the chassis and body. The box-type frame is of all welded construction. Although the frame is lighter there is 59 per cent more rigidity when combined with the body.

Lowering the overall height by four inches and placing the seats between the axles results in a lower center of gravity, a safety aid in driving.

The windshield has been increased in width and height and the rear window now provides "picture window" visibility for drivers and passengers.

All doors hinge at the front. Inside handles push up instead of down to open the door. Both features combine to preclude accidental opening of doors.

**OTHER FEATURES.** Door handles and other hardware are much
